

Frosty

December 2014 Encore Players Tour
w. TheatreworksUSA

Directed by Katy Brown

Images from Katy Brown

Snowy New York City

- Winter, but not Christmas
- How do we show “cold” without “white” ?

NYC Street Scenes

- magic but not gritty
- pops of color
- epic height but not overwhelming

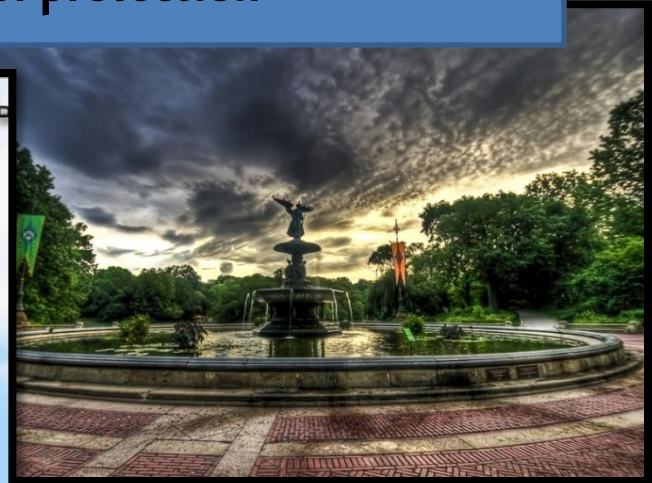

NYC Skylines

- glow from the city
- art AND commerce
- richness of color

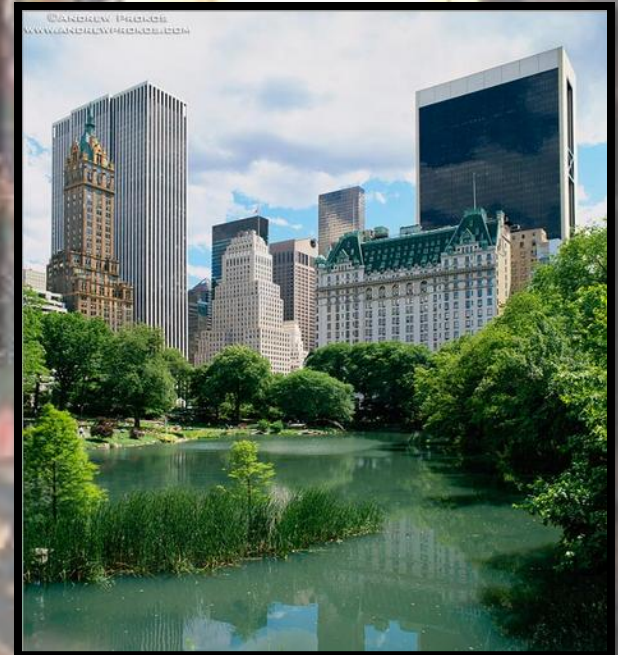

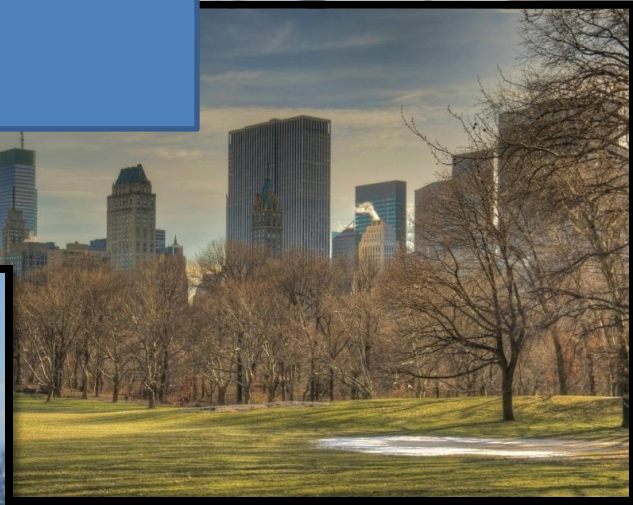

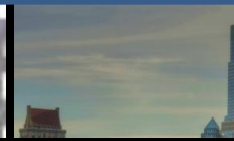

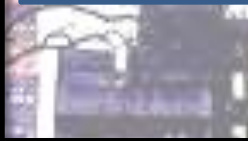

NYC Bethesda Fountain

- a secret, private part of the park
- feeling of protection

Central Park Views

- layers of depth
- canopy of trees

Additional Scenery Pieces

Note: Should have a "metallic" sheen and dirt/grime at all corners and crevices.

Note: Distressed "wooden" fence look on back side of Subway gate unit.

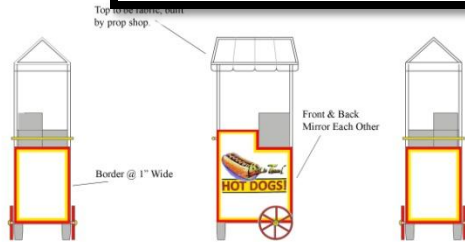

Des. by Holly M Breuer

Barter Players
Christmas Tour 2014
"Frosty the Snowman"
Subway & Irish Gates Elevation
Scale 1" = 1'-0"

Crook for lantern should extend off edge of bench, not over bench.

Areas designated grey should have metallic sheen.

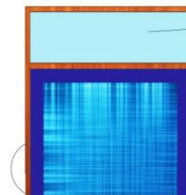

Note: Cart should have some "wear & tear" distressing, but the colors can remain bright.

Satin finish except on areas noted as metallic sheen.
